GDA Aluminium Profile Award

## Portofino Pergola type

An exciting and versatile performer

### Pergola type

*As a patio awning with free-standing posts, the Portofino is a particularly wind-resistant sunshade. Height-adjustable **Vario posts** (option) offer variable shade and facilitate instant run-off during light showers.*

## Equipment and convenience features

- Width, 1 unit max. 600 cm, drop max. 500 cm
- Zip guide and patented balance spring technology
- Electric motor
- Options:
  - Vario posts,
  - Radio motor/radio remote control,
  - automatic weather sensor,
  - radiant heater,
  - LED lighting *(with transformer, in casing)*

Thanks to its closed zip guide, the Portofino Pergola patio awning is always perfectly tensioned, offering good looks teamed with complete shade from the sun. For greater flexibility and comfort on the patio, the Portofino also comes with Vario posts, enabling the front corners to be lowered for variable shade and relaxed, highly indulgent outdoor living.

### Closed guide (Z)

*The track systems, which have received recognition with the GDA Aluminium Profile Award, are equipped with a zip guide and patented balance spring technology. These ensure a taut sit of the fabric, greater wind safety and complete shade from the sun.*
