features

Integrated LED Lights

The integrated white LED light within the spokes provides a warm and elegant lighting solution.

Durable alu parts

We guarantee everlasting sun pleasure thanks to the durable aluminum parts. All parts are individually replaceable.

Easy opening in 5 seconds

You don't have to be strong to operate the P8 umbrella. The One Move System helps you to open or close the umbrella easily in one movement. Thanks to the well-balanced weight, the umbrellas are effortless to handle.

Opening above the table

No need to move the table while closing or opening the umbrella. The umbrella opens or closes above standard tables and chairs.
